## MESSAGE

The 7<sup>th</sup> Singapore International Parkinson Disease and Movement Disorders Symposium will be held from 29 September to 1 October 2016 at The Academia, Singapore General Hospital. This successful biennial symposium started in 2002 and has attracted a broad audience of more than 400 participants of clinicians, scientists and allied health professionals each, throughout its six successful meetings.

At the 7<sup>th</sup> Symposium, we will focus on the causes, diagnosis and management of Parkinson disease and movement disorders. Its format will include plenary sessions, parallel sessions/workshops, and poster/video presentations. We have invited renowned international and local experts as members of our faculty. They will enable us to put together an academically rich and enjoyable programme for participants from Singapore and the region.

This Symposium will provide an opportunity for participants to learn about the latest research and perspectives, to listen to renowned speakers, and to be exposed to the most up-to-date information in the field of Parkinson disease and movement disorders. All sessions will be conducted in English.

We welcome all medical professionals; doctors, researchers, nurses, rehabilitation therapists and other allied health professionals from Singapore and the region to attend this Symposium. We also invite you to submit interesting clinical videos or research abstracts for presentation.

We look forward to meeting you at the Symposium.

**Associate Professor Louis Tan**

## IMPORTANT INFORMATION

### How to Register

- **By Mail Registration:** Print a copy of the registration form and mail to the Secretariat. Complete the form and mail it along with supporting letters or documents, where applicable and payment. Complete one form per participant. Please make a copy of your completed form (for your records) before mailing.
- **By Email:** Send your completed form and supporting letters or documents, where applicable to [nni\\_secretariat@nni.com.sg](mailto:nni_secretariat@nni.com.sg). The Organiser is not responsible for electronic messages not received due to mechanical failure or circumstances beyond our control.

### Trainee/Student Registration Fee

Trainee/Student identification or proof of qualifying trainee/student status MUST accompany the registration form to qualify for Trainee/Students fees. A letter from the head of department confirming the applicant's trainee status must accompany the "Trainee" registration form. Proof of status is also required when registering on-site.

### Confirmation of Registration

Confirmation of registration will be issued upon receipt of completed Registration Form with relevant supporting documents and full payment. Please bring this confirmation to the Registration Desk at the Symposium as proof of your registration.

### Cancellation and Refund Policy

Notification of cancellation must be sent in writing to the NNI Secretariat. Registration fees are non-refundable.

### Liability and Disclaimer

The registered delegate acknowledges that he/she has no rights to lodge any claims against the 7<sup>th</sup> Singapore International Parkinson Disease and Movement Disorders Symposium Organiser should the Symposium be hindered or prevented to occur by any unexpected political, economic or pandemic events, or generally by force majeure, or by the non-appearance of scheduled speakers or other reasons that necessitate programme changes. With registration, the delegate accepts this provision.

Every attempt will be made to present the programme as printed. However, the 7<sup>th</sup> Singapore International Parkinson Disease and Movement Disorders Symposium Organiser reserves the right to modify, or cancel, without prior notice, any of the arrangements,

programmes or other items relating directly or indirectly to 7<sup>th</sup> Singapore International Parkinson Disease and Movement Disorders Symposium, for any cause beyond its reasonable control. The Organiser is not liable for any loss or inconvenience caused as a result of such alteration. In the event of cancellation of 7<sup>th</sup> Singapore International Parkinson Disease and Movement Disorders Symposium, all pre-paid fees will be refunded in full. However, the Organiser is not liable for any loss or inconvenience caused as a result of such cancellation.

### Insurance

The Organising Committee is not liable for any personal accidents, loss/damage of private properties of registered participants during the conference. Participants should make their own arrangements with respect to personal insurance.

### Letter of Invitation

Applicants requiring an official letter of invitation for the purpose of obtaining a visa or permission to attend the 7<sup>th</sup> Singapore International Parkinson Disease and Movement Disorders Symposium may submit the request to the Secretariat. The letter of invitation is not a commitment from the Organiser to provide any kind of financial support, hosting arrangement, nor does it guarantee an entry visa will be issued. The letter will be issued to the requesting delegate only after the registration fee has been paid in full. Expenses incurred are the sole responsibility of the applicant.

The Secretariat may require 2 – 3 weeks to process the request. We recommend that you apply at least 2 months in advance.

### Entry Visa Application and Validity of Passport

The registered delegate should have a valid passport, onward/return tickets, onward facilities (e.g. visas, entry permits, etc.) to their next destination and sufficient funds for stay in Singapore. National passport holders of most countries are permitted to stay in Singapore for up to 14 days without visas. However, visas may be required for visitors from some other countries and participants are requested to clarify these before travelling to Singapore. We recommend applying at least 3 months in advance. Please visit the Singapore Immigration & Checkpoints Authority website for more information on entry visas: <http://www.ica.gov.sg>.
