### REDUCED FEE EXHIBITORS

---

MDS recognizes that companies may have varied levels of marketing resources. In order to ensure that a variety of products and services are presented to International Congress delegates, the following discounts are available:

- Companies with sales of less than \$10M annually, or with products marketed to allied health professions or patients, may purchase an exhibit at one-third the published price.
- All reduced exhibits are sold on a space available basis and will not be confirmed until May 1, 2020.

### RELOCATION

---

The MDS International Secretariat reserves the right to relocate exhibitors. In the event that it is necessary to relocate an exhibitor after a specific space assignment has been made, the MDS International Secretariat will contact the exhibitor. Violation of any regulations on the part of the exhibitor, their employees or agents shall annul the right to occupy space and such exhibitor will forfeit to the MDS International Secretariat all monies which may have been paid. Upon evidence of violation, the MDS International Secretariat may enter and take possession of the space occupied by the exhibitor, and may remove all persons and goods at the exhibitor's risk. The exhibitor shall pay all expenses and damages which the MDS International Secretariat may thereby incur.
