

International Parkinson and  
Movement Disorder Society

Advance.  
Improve.  
Educate.  
Collaborate.

Dear Colleague,

Greetings! My name is Njideka Ulumna Okubadejo, from Lagos, Nigeria, and I am currently serving as the Chair of the International Parkinson and Movement Disorder Society's (MDS) African Steering Committee. MDS has charged the African Steering Committee to build membership and provide education on Movement Disorders in Africa. I personally would like to invite you to become a Waived Dues member of MDS.

MDS Waived Dues membership provides an abundance of opportunities and resources for Neurologists, completely free of charge for a minimum of three consecutive years, and your member will help expand the Movement Disorders Community in Africa.

The MDS [Waived Dues program](#) offers free membership for individuals residing in countries with financial hardships, as well as offering opportunities for travel grants to attend the MDS International Congress to meet with other like-minded professionals from around the globe. Please help expand our impact among communities within the African Continent.

You may apply for free Waived Dues membership anytime on the [MDS website](#).

If you have questions or require any assistance, please contact the International Secretariat at [info@movementdisorders.org](mailto:info@movementdisorders.org).

Thank you for sharing with others who may also be interested and your consideration in joining me as a member of MDS. MDS is looking to expand efforts in Africa and as such, we feel you would be a key ally in helping us achieve these goals. I look forward to sharing in future collaborations and Society initiatives with you.

Warm regards,

**Njideka Ulumna Okubadejo, MBChB, FMCP**  
Chair, MDS Task Force on Africa  
International Parkinson and Movement Disorder Society (MDS)

*Professor, Neurology Unit, Department of Medicine  
College of Medicine, University of Lagos  
Lagos, Nigeria*
