MDS-PAS Integrated Care in Parkinson’s Disease: From Theory to Practice – Presented in Portuguese

Course Format:
- Pre-recorded lectures will be available for on-demand viewing on October 23, 2020
- Live real-time interactive case discussion of faculty panelists will be held on October 31, 2020 at 10:00 BRT / 8:00 US Central Time
- Participants will have the opportunity to submit questions after they view the on-demand lectures and an opportunity to submit questions during the live real-time Q&A session on October 31

Language: This course will be presented in Portuguese. No translation service will be available.

Learning Objectives: At the conclusion of the activity, participants should be able to:
1. Provide a “state of art” knowledge on Parkinson’s disease, including physiopathology, evaluation and treatment, update on the motor and non-motor alterations associated with the disease
2. Develop the ability to work in an integrated care team for Parkinson’s disease
3. Differentiate care delivery in early, mid and advance stages of Parkinson’s diseases

Target Audience: The course is intended for neurologists, physician's assistants, nurses, physical therapists, occupational therapists, speech-language pathologists, social workers and psychiatrists/psychologists, and other health care professionals potentially involved in Parkinson’s disease care. The majority of whom already have some experience with the management of Parkinson’s disease and are interested in further education and collaboration.

Faculty:
Maria Elisa Pimentel Piemonte, PT, PhD (Course Director and Speaker)
Department of Physical Therapy, Speech Therapy and Occupational Therapy of Medical School of University of São Paulo - São Paulo, Brazil

Tiago A. Mestre, MD, MSc
University of Ottawa - Ottawa, ON, Canada

Lorena Rosa Almeida, PT, PhD
Roberto Santos General Hospital/SESAB - Salvador, Bahia, Brazil

Maira Rozenfeld Olchik, PhD
Federal University of Rio Grande do Sul - Porto Alegre, Brazil

Nayanne Beckmann Bosaiopo Ps, PhD
General Hospital of the Medical School of Ribeirão Preto, São Paulo University - São Paulo, Brazil

Claudio A.C. Mecone, RN
SARAH Network of Rehabilitation Hospital - Rio de Janeiro, Brazil

Daniela Alburquerque, MS, OT
Universidad De Santiago de Chile - Santiago, Chile
