# SINGAPORE INTERNATIONAL PARKINSON DISEASE AND MOVEMENT DISORDERS SYMPOSIUM

28 - 30 JUNE 2018

ACADEMIA, 20 COLLEGE ROAD, SINGAPORE 169856

## SYMPOSIUM HIGHLIGHTS

### Plenary Sessions

- The Importance of Brain Banks to PD Research
- Clinical, Genetic, and Pathological Aspects of Tauopathies
- PD Modification: Where Are We in 2018
- Genotype-Phenotype Correlations in Movement Disorders
- Rare Movement Disorders
- Management of Non-Motor Symptoms in PD

- Falls in PD
- Clinical Manifestations, Classification, and Diagnosis of the Dystonias
- Advances in Deep Brain Stimulation Surgery for Movement Disorders

- Community Care for PD
- Imaging in PD and Movement Disorders
- Future Directions in Deep Brain Stimulation
- Rehabilitation for PD

### Parallel Sessions

- Movement Disorders Teaching Course
- Use of Botulinum Toxin in Movement Disorders, Spasticity and Headaches

### Pre-Symposium Seminars

- Translational Research in PD and Related Movement Disorders
- Deep Brain Stimulation Surgery for PD

### INTERNATIONAL FACULTY

**Prof Jean-Marc BURGUNDER**  
University of Bern, Switzerland

**Assoc Prof Simone ENGELENDER**  
Technion-Israel Institute of Technology, Israel

**Assoc Prof Alfonso FASANO**  
University of Toronto, Canada

**Prof Hyder A JINNAH**  
Emory University School of Medicine, USA

**Prof Andres LOZANO**  
University of Toronto, Canada

**Prof Martin J MCKEOWN**  
University of British Columbia, Canada

**Assoc Prof Darren MOORE**  
Van Andel Research Institute, USA

**Prof Sven PETERSSON**  
Karolinska Institutet, Sweden  
LKC School of Medicine, NTU, Singapore

**Prof Olivier RASCOL**  
Toulouse University Hospital, France

**Prof Richard REYNOLDS**  
Imperial College London, UK  
LKC School of Medicine, NTU, Singapore

**Prof Zbigniew K WSZOLEK**  
Mayo Clinic, USA

**Prof ZHANG Su-Chun**  
Duke-NUS Medical School, Singapore

### REGISTRATION FEES (Amount payable in Singapore Dollars and inclusive of GST)

Registration Category	Early Registration Before 1 May 2018	Normal Registration Before 15 June 2018	On-site Registration After 15 June 2018
<b>1) Main Symposium (29 and 30 June 2018)</b>			
Physicians and Researchers	<b>S\$220.00</b>	<b>S\$270.00</b>	<b>S\$320.00</b>
Trainees <sup>1</sup> , Nurses, Allied Health Professionals and other Medical Professionals	<b>S\$140.00</b>	<b>S\$190.00</b>	<b>S\$240.00</b>
NNI-CCPP Partners <sup>2</sup>	<b>S\$100.00</b>	Follow rates of respective categories	
<b>2) Pre-Symposium Seminars (28 June 2018)</b>			
A) Translational Research in Parkinson Disease and Related Movement Disorders			
B) Deep Brain Stimulation (DBS) Surgery for Parkinson Disease			
With registration for Main Symposium	<b>S\$30.00/Seminar</b>		
Without registration for Main Symposium	<b>S\$60.00/Seminar</b>		

### CALL FOR ABSTRACTS - POSTER AND VIDEO PRESENTATIONS CLOSING DATE: 16 APRIL 2018

Please visit <https://www.nni.com.sg/education/events/Pages/SIPDMDS.aspx> for submission form and information.

### PROGRAMME AND REGISTRATION

Scan the QR Code to find out about the Symposium or visit <https://www.nni.com.sg/education/events/Pages/SIPDMDS.aspx>
